

ASX Announcement / Market Release

16 August 2024

PharmX delays results announcement to 27th August 2024 as it seeks to finalise its financial statements following resolution of the Court of Appeal matters

PharmX Technologies Ltd (ASX: PHX) (**PharmX**) today announced that, following the judgments handed down by the Victorian Supreme Court on 8th August 2024, it has repaid to Fred IT Group Pty Limited (**Fred**) the \$8,128,486.63 to be refunded to Fred, and that it has reached agreement with Fred around the remaining interest and costs to be paid to Fred in the amount of a further \$1,770,000.00.

PharmX is expecting final Orders formalising these matters to be made by the Court in the coming week.

As a result, PharmX will delay the announcement of its annual results from the previously announced date of 21st August. PharmX will now release its annual results for the period ended 30th June 2024 on Tuesday 27th August 2024.

About PharmX

PharmX Technologies Limited (ASX: PHX) is an Australian-owned, publicly listed company dedicated to advancing healthcare through transformative technology. Positioned at the heart of the pharmacy network, PharmX drives growth by connecting the industry, streamlining inventory management, and enabling smarter business decisions through data-driven solutions.

With a strong legacy of nearly two decades, PharmX optimises connectivity between pharmacies, suppliers, and key stakeholders in the government, technology, and healthcare sectors. Renowned for its supply-chain Gateway launched in 2006, PharmX has evolved to enable a breadth of communications across the entire pharmacy eco system, being used by 99% of Australian pharmacies with a growing network in New Zealand.

In addition to the Gateway, the PharmXchange Marketplace offers an advanced e-commerce platform that allows pharmacists to easily access a wide range of products and promotions, while providing suppliers with an innovative marketing and distribution channel. Supporting these offerings is a robust analytics solution that provides comprehensive insights into market dynamics, enhancing trade, reducing costs, and improving accuracy, ultimately fostering business expansion and elevating the Australian healthcare industry.
