About Pharmx Technologies Limited

Pharmx is ANZ's leading pharmacy ordering platform, providing essential infrastructure for seamless ordering and inventory management. By connecting the largest network of pharmacies, suppliers, and technology vendors, Pharmx facilitates approximately \$20 billion in orders annually through its robust, high-availability technology platform—driving efficient operations, seamless connectivity, and valuable insights across its ordering, eInvoicing, and analytics solutions.

Operating in a dynamic and evolving market, Pharmx is positioned for sustained growth, driven by population growth, demographic shifts, and regulatory changes. With a strategic focus on expanding its addressable market, Pharmx leverages its extensive network, proprietary pharmatech solutions, and advanced data capabilities to unlock new revenue opportunities and enhance healthcare outcomes across Australia and New Zealand.
